

Summer Reading Rising 7th Grade

As a way to promote a love for reading and to help increase your reading abilities over the summer please complete this summer reading assignment.

1. Using the following guidelines, select a book of that you have never read.

Guidelines:

- at least 150 pages in length
- fiction genre
- approved and selected with the help of a parent or guardian
- on or above the 7th grade reading level
- select a book that interest you

*Please refrain from choosing a book from the *Harry Potter* series.

2. On the attached calendars keep a reading log. List how many pages you read, how long you read, and include a parent/guardian's signature on the days that you read.
3. The first week of school will be filled with graded activities. These activities will require that you have carefully and completely read your selected book.
4. Be sure to bring your book to class the first week of school.
