Pick up time 2:45

- 6th – 12th grade carpool riders will pick up in front of the education building at 2:45. Enter the campus from the second or third Harris Blvd. entrances and line up in holding lanes A & B.
- TK – 5th graders with a carpool made up of 6th – 12th graders will pick up in front of the education building at 2:45. Enter the campus from the second or third Harris Blvd. entrances and line up in holding lanes A & B.

NOTE: If you have a middle school student in your carpool you will pick up at 2:45.

Please be patient... traffic will smooth itself out. Student I.D. tags must be presented at all times when picking up students. Parents and adults picking up children at North Campus must present the student I.D. tag to the bus driver. Drivers without student I.D. tags must come inside the main school office to show I.D. and check out students.

Car tags will be color coded this year to help with the drop off and pick up procedures.
