CASEY SPEARS

2007 GRADUATE OF HICKORY GROVE

"I graduated from Clearwater Christian College in May of this year. I sang in the school's choir this past semester and also took voice as well. I had to perform an Italian piece in front of judges called, 'Sento nel Core.' I had a great time learning more about using the vibrato in my voice for this song and learning a new style and language in music. I also became very

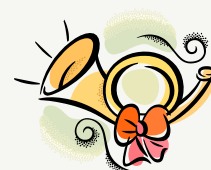

involved in a church I attended while I was in school and was given many opportunities to sing while I was there. I graduated with a Business Administration degree and am currently interviewing for some job openings that have become available.

Some advice would be to never give up on your dream no matter what others around you may say and to not get bogged down with the little tedious things of life, but try to look at the big picture. God does not like for us to worry, but to give everything over to him no matter how small it may be. My

favorite quote: 'Let go and let God'." The Performing Arts Dept. and Mrs. Clark are looking forward to having Casey and other alumni join the Choir and Heaven's Touch for this year's special Christmas Program the morning of Friday, December 16, 2011.
