

Hannah Doby

Cheerleading

Our female Player of the Week is Hannah Doby. Even when the team is down, she just cheers harder and louder, which is what all cheerleaders should do. :) She is contagious and her smile rubs off on everyone who watches her cheer. Please congratulate Hannah as she is our Player of the Week!

Way to go HANNAH!

Jacob Farthing

Soccer

We switched Jacob to center back for our championship match and he dominated the back line of defense – probably the best that I have ever seen him play. He, along with the other defenders held one of the best offensive players in the MAC to zero shots and he rarely even touched the ball. Congratulate Jacob for being this week's player of the week!

Way to go JACOB!
